

lower level

Enter the lower level bedroom suite and you've entered a special romantic haven. Here you'll find:

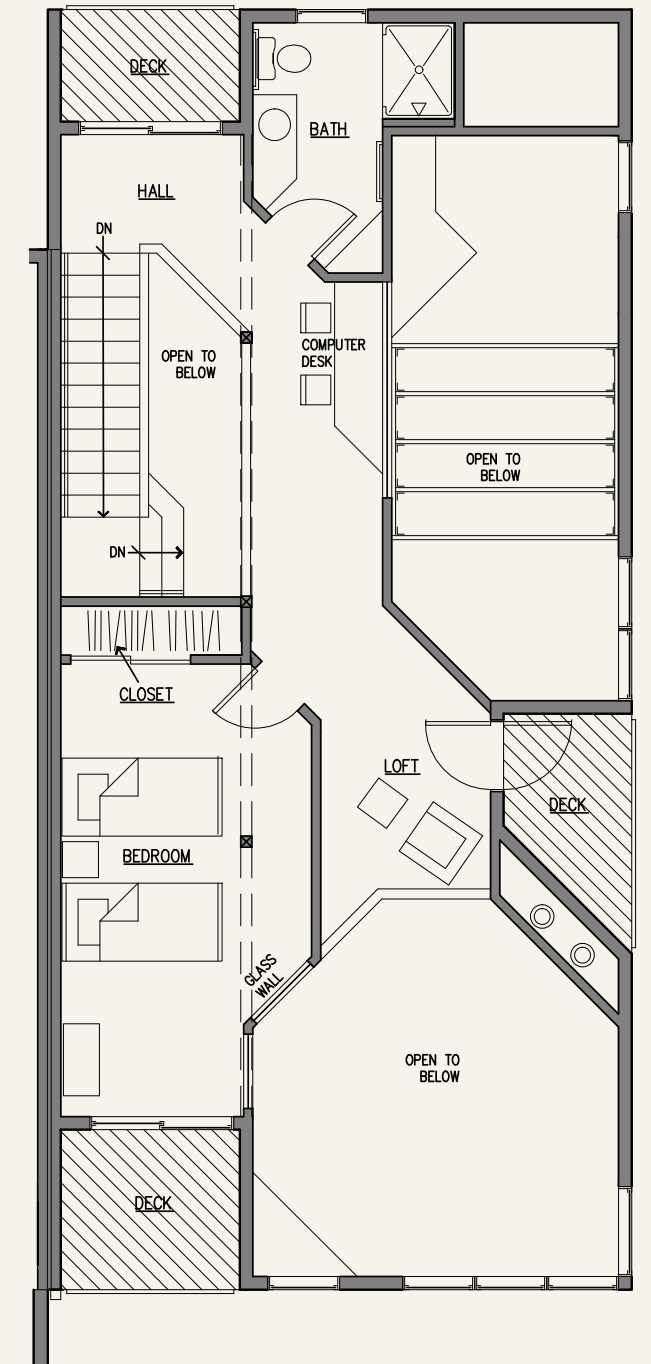

- King size bed with custom bedding & expansive views of Lake Superior
- Cozy sitting area in front of custom slate fireplace
- Air action relaxation spa tub (for 2) overlooking the lake
- Double shower
- In-floor heat
- Fully equipped wet bar
- Patio overlooking the lake

main level

When you walk in the door of your fully furnished new home, you'll have an instant sense that you're in a special sanctuary. Imagine:

- Two-and-a-half-story vaulted pine ceilings accented by clerestory windows
- **Master Bedroom Suite:** King size bed with custom bedding, large sitting area, and custom glass and tile shower in master bath
- **Kitchen:** Custom granite countertops, luscious Red Birch cabinets, and stainless steel appliances
- **Living Room:** Corner custom slate fireplace, distinctive designer selected furnishings, expansive and ever-changing views of the lake, trees and sky

upper level

The light, airy loft bedroom is every guest's dream. This special retreat gives one the sense of being tucked away from it all.

- Floor-to-ceiling glass wall offers vast vistas of the lake
- Two double beds in loft bedroom with views of shoreline
- Cozy sitting area with customer designer furnishings
- Dramatic two-story space overlooking the living room
- State-of-the-art computer workstation and wireless Internet (all you need is your laptop)
- Three upper level decks
